Bodine Aluminum was the recipient of the "Give Back" Award given by the Troy Area Chamber of Commerce. This announcement was among the highlights of the chamber's installation banquet held Saturday (Jan. 28). Accepting the award was Robert Lloyd, Bodine CEO and presenting the award was David Thompson, representing Peoples Bank and Trust, last year's inaugural recipient of the award.

Bodine Aluminum is celebrating its 100th anniversary in 2012 and Terry Henderson, Troy plant manager, announced that Bodine will give \$5,000 to the Bread For Life Food Pantry and \$5,000 to Earthwise Industries this year.

The Give Back award was established to recognize the generosity of local businesses and their commitment towards community betterment.

Kathryn Ragsdale of Bodine was installed as the president of the Chamber by Troy Mayor Mark Cross. Roger Kiesey and Mary Sue Thompson were presented the Man and Woman of the Year awards
