Poll Question

Pictured above is Lincoln County Council on Aging's (LCCOA) newest van that was donated to them by Bodine Aluminum. This van is the second van that has been donated to LCCOA by Bodine Aluminum. The first van was in honor of the 10 millionth vehicle assembled in North America. Each Bodine plant was able to donate a van that year and LCCOA was one of the lucky winners. Luck struck twice when LCCOA won through a Facebook voting period for the second van (pictured). LCCOA was provided a 6 year/100,000 mile warranty from Toyota Financial Services, which will help substantially in the upkeep of the vehicle. Pictured standing in front of the van to the right are Charlie Thompson, Bodine VP – Plant Manager; Michelle Aubuchon, Driver LCCOA; Sarah Dalrymple, Director, LCCOA; Bob Lloyd, Bodine President; Terry Henderson, Bodine General Manager.
